Legal & Regulatory Information

Version 1.0 · Last updated: October 12, 2026

This page identifies the company operating Onyx Bridge Pay and describes its current registration status. The website describes planned services; it is not a live financial-services application.

Company details

Legal name: ONYX BRIDGE PAY INC.. Brand: Onyx Bridge Pay. Incorporated under the Business Corporations Act (Ontario) on July 21, 2026. Ontario Corporation Number (OCN): 1001683797. Registered office: 39 Queen Street, 3rd Floor, St. Catharines, Ontario L2R 5G6, Canada. Website: https://onyxbridgepay.com. Contact: info@onyxbridgepay.com.

Bank of Canada registration

Registered PSP with the Bank of Canada (REG-7823) under Canada's Retail Payment Activities Act (RPAA). You can check the current status in the Bank of Canada registry of payment service providers. The Bank of Canada does not endorse or license registered payment service providers. Registration does not mean that the Bank has approved, guaranteed, or recommended Onyx Bridge Pay's products.

FINTRAC status

MSB registration: in progress. The application to register as a money services business has been submitted, but registration is not complete. We will not describe Onyx Bridge Pay as a registered MSB unless that status is confirmed. FINTRAC registration, when obtained, does not mean FINTRAC endorses or licenses a business. The FINTRAC Money Services Business Registry is the source for current registration information.

What is available now

The website and waitlist are available. Accounts, international account details, transfers, currency exchange, savings features, and debit cards are in development or planned and are not offered through this website. Availability, jurisdictions, partners, card network, issuer, fees, and limits will be confirmed before launch. Joining the waitlist does not provide access to a financial service.

Bank and deposit status

Not a deposit-taking bank. We do not accept insured deposits. No account balance or card shown on this website represents a live customer product.
